PROTECT YOURSELF

**FROM
HOME HEALTH
CARE FRAUD**

PROTECT YOURSELF FROM HOME HEALTH CARE FRAUD

Most Home Health Care Agencies Are Fine, But Some Don't Follow the Rules
Here Are Some Tips

Medicare pays when you are homebound and need:

- Physical therapy
- Occupational therapy
- Speech therapy OR
- Skilled nursing care

Medicare pays for a *home health aide* only if you are receiving other services

Protect Yourself!

- Talk to your doctor first! Only your doctor should order and help you plan your care
- Don't be lured by people promising free chore services
- Call MMAP when the charges on your Medicare Summary Notice don't look right

What is fraud?

Charging Medicare for:

- Services you did not get
- Something different from what you received
- Services when you are not homebound
